Subject:- Instruction Regarding Completion of Teachers updation under Teacher's module and students progression for the academic year 2025-26 under Students module of UDISE +

Sir/Madam,

As you are aware that Ministry of Education, Govt. Of India, has opened Teacher module for updation and student module for grade progression for the academic year 2025-26. School Profile and Facility will also be opened shortly.

Ministry of Education had provided unique national ID to each student, which will be useful for the tracking of the student's journey from pre-primary to higher secondary as well as student's academic performance. The school need only to promote the students from lower class to higher class (Those students who are already registered under UDISE+ with unique student's ID) and no fresh entry is required. Only fresh entry is required at the time of new admission at Pre- Primary Stage.

You are requested to ensure the completion of Teacher module (including addition of non teaching staff) and students progression activity by 20th of May 2025 so that the data of teachers and students can be provided for real time online attendance on VSK(Swift -Chat). The video of screen shot of steps of students progression are attached herewith for your reference. For any query regarding this, you may contact to your concerned block UDISE Incharge. The contact detail of Block UDISE incharges are attached herewith.

Kindly treat it most urgent and time Bound.

Yours Faithfully,
