Guidelines to be followed for New School Creation

1. Kindly do not initiate new school request for the schools already in the UDISE+ database.
2. Kindly do not initiate new school request for the schools for which a request is already generated.
3. Form A02 must have District and Block level officer's (or their equivalent) name and designation, and be properly signed and sealed. If any of this is illegible, the request must be rejected by State Level.
4. In case any detail is found to be incorrect after the request is generated by the District MIS, the request should be rejected (by Self/State MIS) before applying again.
5. **Admission under Section 12 of the RTE Act** (DCF Q. 1.29): Applicable only for school under Private Unaided Management.
